Christmas Events

After the success of our Christmas Craft afternoons last year we hope you will be able to join us again this year to make so festive treats with your child/dren.

The events we are planning are bookable on a first come, first served basis and we ask that you attend only one in order to allow every family a chance to come in. These events are limited to 2 people per family. Slips for each event are attached to this Newsletter for your completion and return.

Santa's Craft Workshops—Monday 18th December **OR** Tuesday 19th December 2.30-4pm

Each room within the nursery will be creating a different craft and parent/Carers can come in and go around the rooms making different crafts with their child. Children who do not attend either of these days in the week may attend with their parent/Carer but must book a date to attend.

Bears Room Only Carol Concert—Thursday 14th December 10-10.15am

This is open to Bears room children and their parents/Carers only and as it is a very short and sweet event we will be filming the event to upload to you via Tapestry so if you can not attend you will still be able to watch this event.

Important

Illness

Unfortunately it is coming to that time of year when the seasonal colds and viruses are around. Could we please ask that you do not send your child into nursery if you have given them Calpol as this only masks if they are unwell and results in others being exposed to the germs and often ends up in us calling you when the Calpol has worn off. Please look out for notices in the lobby area about current illnesses such as Hand foot & Mouth and Strep A.

Please also email or call the nursery each day your child is off unwell or just not attending as we have a duty of care to ensure we know why children are not in attendance.

Thank you for your assistance

As we approach the holiday season we wish to remind parents that the nursery is closed from 6pm Friday 22nd December and we do not reopen again until Tuesday 2nd January 2024. Please advise us if you are going away before this time so we can ensure all your Child's Christmas gifts etc have been given to you.

Thank you

Please Support us

As Christmas is approaching please do support the nursery by making your online purchases through the easyfundraising website. For every purchase made online the retailer will make a donation to the Nursery at no extra cost to anyone. So please share this with family and friends too as we aim to use all proceeds to buy equipment for the children. Thank you

As the weather is changing please could you provide your child with **named** wellington boots and warm clothes so they can still enjoy outdoor activities.
